

**CAPACITIES**

**BSP threads.** Thread rolls are made to cover the following ranges.

A3R	A34R	A4R	A45R	A5R	A56R	A6R
1/4-3/8x19	3/8x19	3/8x19	3/4x14	1/2-5/8x14	7/8x14	7/8x14
1/2x14	1/2-5/8x14	1/2-5/8x14	7/8x14		1"x11	1"x11
	3/4x14	3/4x14	1"x11		1.1/8x11	1.1/8x11
	7/8x14		1.1/8x11		1.1/4"-1.3/8"x11	1.1/4-1.3/8"x11

\* Maximum thread length including runout.

\*40mm      \*48mm

Roll sets are also available for BSF and BSW threads, generally equivalent to the UNF and UNC threads listed. As these threads are obsolescent they are not normally stocked but can be produced in around 7 working days, please enquire. Similarly BA, BSCY, UNJ etc. threads can be produced and the rolls supplied. If you want to produce any thread not listed in the tables above please call us to check that you have the required head. Most Alco heads can be used for knurling. Again, please enquire.
